

BAY of MANY COVES  
NEW ZEALAND

## Explore Marlborough & the Sounds

We have a delightful range of activities within our diverse region – both on and off the water.

*This first section outlines activities on offer directly from the Bay of Many Coves, complimentary activities right on your door-step and within our environs .....*

### Kayaking – from the Bay of Many Coves

Kayak from our own 'fleet' of sea kayaks. A great way to explore the sheltered bays and beautiful Sounds coastline. Head up into the head of the bay to see the 'many coves' – see the holiday homes dotted around the hills and on the foreshore, look out for little blue penguins and dolphins, birds and there are often seals basking on the rocks at clay point opposite the Bay. There are doubles & singles, sea-kayaks & 'sit-on-top' kayaks. [Guided kayaking available also](#)

### Paddle Boarding – from the Bay of Many Coves

Try one of our paddle boards, another great way to explore the bays. [Stand Up Paddle boarding \(SUP\)](#) is a sport that everyone can enjoy, regardless of age, ability or size. The perfect whole body & core workout, SUP or "walking on water" is the most peaceful way to get out and experience nature while you're exercising. It improves balance, co-ordination, strength & endurance, is stress-reducing, invigorating plus invites adventure and exploration.

### Clinker Dinghy – our row-boat

Take a row in the restored clinker dinghy, a quaint way to explore the bay and get a good view of the property and it's surrounds while you get a little exercise. Check out the [birds - cormorants or shags nesting](#) on the rocks just to the left of Arthur's Bay.

### Native Flora & Fauna – our grounds

Take a stroll through the grounds, you will see many native trees, shrubs, plants and of course, birdlife. The Cheek Weka will be rustling in bushes, the wood-pigeons (or Kereru) will swoop overhead, the bellbirds will be tweeting and the fantails busy flitting about. We have over 11,000 native plants in our 52 hectares, some common and some rare to our location.

[Ask a staff member to accompany you if you wish.](#)

### **A boat ride in the Bay – on our ‘tender’**

Let one of the team take you out on our small boat to explore the greater Bay of Many Coves, and you will see how appropriately it was named!

There are many interesting properties in the different inlets, high up on the hillsides and right down on the coastline. There are bird colonies to appreciate and often marine mammals such as little blue penguins, dolphins and seals.

This service runs ‘on-demand’ at your leisure.

### **Relax poolside - with views overlooking the Bay**

A swim in the outdoor pool (heated to around 22 degrees) is refreshing, along with a dip in the Cedar Hot Tub – which is blissfully around 38 degrees (wonderful for star-gazing in the evenings).

Unwind with a book or game on the loungers beside the pool, the staff will deliver a cold beverage or ice-cream, perhaps even a light snack.

A great spot to spend an hour or two.

### **Our environs; our 52 hectares of native bush is a paradise**

**for trekking.** Follow the signs to the waterfall, the loop track, the lookout (elevation 386m, 1.9kms from the resort) or do a loop walk right up to the Queen Charlotte Track (4.3kms from the resort in one direction ). Take the base track up into the Bay of Many Coves and explore the holiday homes, the bird life and the stunning vegetation.

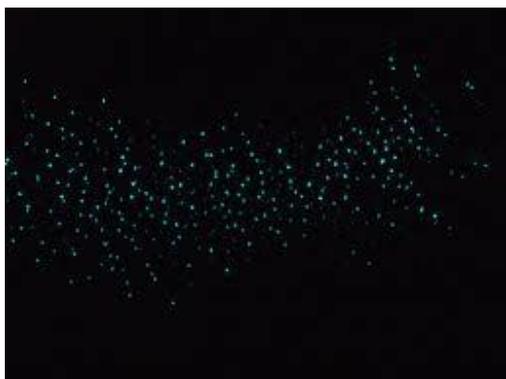

Longer or shorter walking options available

### **Our Waterfall -**

A stroll through the native bush takes you to our little waterfall - streaming down a 7 meter-wall. Enjoy the sounds of Bellbirds and Tui’s on your way. It takes around 15 minutes to walk to the falls.

Take a complimentary walking pole in case it is a little slippery

### **Glow-worms – our little night lights**

When it is dark and only the owls are flying around, take the torch from your room and journey into the darkness .... Just 5-6 minutes walk away across the bay and along the track, you will see the banks lit up. Turn your torches off as soon as you see the lights of the glow-worms. *A glowworm is actually the larvae of insect that glow through bioluminescence.*

A staff member can guide you if you wish.

### **Sauvignon Blanc Grapes – the Marlborough Icon**

Enjoy wine tasting with fellow guests in the evening, sample some of the best Marlborough has to offer. We taste Reserve Sauvignon Blanc wines from Villa Maria Estate, a vineyard which has proven itself since it's first vintage over 50 years ago.

Learn about how different soil, terrain and temperature effect the grapes.

[Informative, social, delicious.](#)

### **Sea – creatures; scan the shoreline**

Fish feeding is a daily activity, the Bight Café is right on the waterfront, from here we feed our 'pet' Blue Cod and other fish ('spotties'. Kahawai, leather jackets and others). You can also see Kina (sea urchins), different types of starfish, mussels and sea-cucumbers. Down on the beach are shells and small crabs.

[Our tame pet cod, 'Bluey'](#)

### Swim with dolphins (or spectate)

Swimming with dolphins and viewing them in their underwater world is the adventure experience of a lifetime! This is an opportunity to get into the water with dolphins or take the viewing cruise in the sheltered calm waters of the Sounds. You will seek out dusky, bottlenose, common and even rare Hector's dolphins that frequent this amazing area. [Half Day \(morning\) from Picton, Wetsuits provided.](#)

### The Mail Boat MV Tiri Cat, Beachcomber Cruises

Join the Beachcomber Mailboat Skipper as he delivers the mail and groceries to families that live in the beautiful and remote places around the Sounds. Say 'Hi' to the kids waiting on the wharf for their schoolwork or greet the many animals that come down to collect the paper. They are the only officially licensed operator in the Queen Charlotte Sound that delivers the mail for the Royal New Zealand Post. Hundreds of bays & inlets are on route with plenty of marine wildlife.

**Scuba Diving** – Two dive operations are based in Picton and will collect you from the Resort for a day out diving in the Marlborough Sounds. The most famous dive would have to be the wreck in Port Gore – [the Mikhail Lermontov](#) – the jewel of NZ ship wrecks & one of the biggest diveable ship wrecks in the world. Other options include - a one day guided dive in the Outer Sounds; the Double Cove Fish Feeding Snorkel tour; diving for crayfish or scallops; Dive fish Reserve or the Koi wreck & Long Island Marine Reserve.

**Seafood Odyssey Cruise** departs from Picton Marina at 1.30pm daily for an afternoon scenic cruise on board the Marlborough Travel launch.

## **on the land .....**

### **Historic Ship’s Cove - ‘Meretoto’**

This site is internationally recognised as **Captain James Cook’s** favourite base during his 3 wide-ranging voyages of NZ on his ship Endeavour - the cove was already valued by Maori as a place of shelter at the edge of the open sea. He spent 170 days at this anchorage between his first visit (Jan 1770) & final departure (Feb 1777). Cook found it provided a central & secure anchorage with good wood, water & fishing to prepare & provision his ships & restore his crews. There is an informative display at the site reflects the cultural themes & interpretation covering the Maori & Cook stories.

**Queen Charlotte Track**, explore the 71 kilometer track, hike a section, set your own pace. This stunning coastal track winds through towering native forest and regenerating bush, over ridges and into beautiful coves. Venture from the Bay of Many Coves Resort for a round-trip walk or allow us to arrange a boat pick up service from any of the several entry and exit points for longer excursions. Both freedom and guided walking options are available.

From \$75 return pp. Picnic lunches available

### **Wineries of Marlborough Tour – Half or Full Day**

With over 40 cellar doors in Marlborough, you’ll be glad for your personal guide - visit vineyards of your desire - be driven, be informed, enjoy the tastings and learn about Marlborough’s famous Sauvignon Blanc along with many other grape varieties being produced in the region, New Zealand’s largest wine producing area.

Commencing in Picton , Private or joining small group options, can combine with other tours.

### **In the Saddle – Horse trekking in the Sound**

The horse trekking is at the head of the Kenepuru Sound, just over the hill from us – too far to walk so we will arrange for watertaxi transfers for this activity. The Bridevale Trek will have you atop your sure footed and good natured steed for approximately two and a half hours. Your hosts will provide some snacks to be washed down with a bottle of local wine, a very civilized way to soak up the scenery of the Sounds.

[Rates per person, per hour + wateraxis to Punga Cove return](#)

### **Mountain biking - on the Queen Charlotte Track**

Hire a mountain bike for a day or two and enjoy the thrill of one of New Zealand's best single track rides. This 71km walking track has been purposely built to cater to both walkers and bikers. The Queen Charlotte Track is a narrow single track ride with a variety of terrain. It is a clay based track therefore slippery when wet, but hard and fast in dry conditions. Recommended for intermediate level bikers! The track is open all year, although the section from Ship Cove to Punga Cove is closed to bikers from 1 Dec to 28 Feb annually.

[Two companies rent bikes & a “bike fitting” prior to hiring is recommended. \\$on application – depending on bike quality](#)

**Seddon & Ward;** If you are driving south towards Kaikoura, the Marlborough vineyards continue down the coast, there are worthwhile stops at YEALANDS and other vineyards in the Awatere valley region. You will also pass the large SALT mines.

**Omaka Classic Cars;** Situated next to the Omaka Aviation Heritage Centre on the outskirts of Blenheim and showcasing almost 60 vehicles from the 1950's to the 1980's, this collection of classic cars offers a special insight into both Marlborough and New Zealand motoring history from that charismatic period where space, grace, chrome bumpers, large grilles and individual design were allowed to run wild. Covering the period between the pioneering vintage car era and the cars of today, every vehicle on display is original and every one of them, with minimal work, would happily motor from Bluff to Cape Reinga and at the national speed limit. All of them, or the makes they represent, have formed part of the New Zealand way of life at some point during their lifecycle and all were originally available on the New Zealand market.

From Austins to Zodiacs with Fords, Holdens, Jaguars and more, the range is extensive and will change every two months or so to include more of the 110 or so in the total collection. Omaka Classic Cars is open from 10am to 4pm. Parking and entry tokens available from Omaka Aviation Heritage Centre, Aerodrome Road, Omaka, Blenheim.

**Watertways Boating Safaris (Kenepuru sound)** Drive a boat, explore the Sounds. Fun, freedom and stunning scenery on a guided boating safari. Learning to handle the boat is quick and easy for the first timer. You will soon set off to explore the sheltered waterways of the Marlborough Sounds whilst enjoying the thrill of driving your own boat. Experience an area of unsurpassed beauty in an everchanging landscape of native forest, ferns and hidden bays where the mountains and waterways form a backdrop for every scene.

**Moa Breweing and Renaissance;** It's not all about wine here – but there are boutique breweries.

**Pelorus Bridge Scenic Reserve;** Driving towards Nelson? Swim, kayak, fish, walk or picnic at this popular spot on SH6 18 km from Havelock. Walks range from 30 minute wheelchair accessible forest and riverside walks to a 3 hour return hike to Trig K (417m). The nationwide Te Araroa Trail also passes through Pelorus Bridge and continues up the Pelorus Track providing an alternative route to Nelson on foot (2-3 days).

**Driftwood Eco Tours;** kayaking tours based at the Opawa River, 10 minutes east of Blenheim. Photograph close up birds such as the magnificent Royal Spoonbill and hear the early history of the area such as the earliest recorded site of human occupation in New Zealand. Other tours include mountain biking or 'Port Underwood Eco Tour'.

#### **CYCLE THE VINES:**

Many companies offer bicycles to cycle the vineyards!
